SIR

Progress Report on Muzrai works.

I have the honour to inform you that with a view to secure a systematic check and supervision of progress on Muzrai works entrusted to the P.W.D. for execution, Government in para 3 of their Order No.2791-800/Muz.540-19-1 dated the 9th March 1920 requested the Superintending Engineers of Circles to obtain reports of progress for each quarter and to transmit the same to Government through this office. In accordance with this order, progress reports were being submitted to Government for information and reviews were being passed thereon. But in your letter No.2530/Muz.165-22-15 dated the 22nd March 1923 it was stated that such reports may be sent in future to the Muzrai Commissioner. As quarterly statements are being sent to the Muzrai Commissioner through the Deputy Commissioners by the Executive Engineers who also submit a copy to this office for information, no useful purpose is served in their being consolidated in this office and a consolidated statement being sent to the Muzrai Commissioner from this office, nor, is such a return from this office to the Muzrai Commissioner, prescribed in G.O.No.2170-80/Muz.552-21-4 dated the

30th January 1923. I therefore propose discontinuing the forwardal of such statements.
